Corrections:

In "Wanna talk trade? Boeing's right there" (March 2009, Page 46), a sidebar to the article "The real deal," the number of airplanes Chinese airlines are expected to buy over the next 20 years was misstated. That number should be 3,700.

LETTER GUIDELINES

Boeing Frontiers provides its letters page for readers to state their opinions. The page is intended to encourage an exchange of ideas and information that stimulates dialogue on issues or events in the company or the aerospace industry.

The opinions may not necessarily reflect those of The Boeing Company. Letters must include name, organization and a telephone number for verification purposes. Letters may be edited for grammar, syntax and size.
